

ISO CERTIFICATION SERVICES

Our Vision

"To become World's Most Comprehensive
Quality Assurance Services Provider"

ISO Certification Services:

CQAL's independent certification team is having experienced ISO and AS 9100C lead Auditors. Our lead Auditors can perform third party certification audits and can recommend to issue ISO certificates. Our lead Auditors ensure complete independence and highest quality with a great value add through audit services. Our certification body (CB) ISO certification services are fully accredited by ACCAB across the globe. Lead Auditors associated with CQAL can perform audits in the areas of:

- ISO 9001 : 2015
- ISO 20000-1 : 2011
- ISO 27001 : 2013
- AS 9100C

Why to Chose CQAL?

Because we know a good ISO 9001 when we see one would help you to gain the competitive advantage for sustainable growth of the organization. We have a proven track record, having worked with many companies globally, from small and medium sized businesses. CQAL'S ISO audits are performed as per proven Requirements of ISO/IEC 17021:2011 international standard.

CQAL lead Auditors who have decades of experience in helping businesses to understand the benefits of and how to implement ISO 9001 in an array of different sectors, so they understand your challenges. CQAL's experienced assessors perform improvement appraisals against popular models like CMMI, ITIL and Six Sigma. Improvement Appraisals are performed using popular methods like SCAMPI.

Our Auditors are strictly monitored and continually talk and listen to clients, asking them what they want and how satisfied they are with our products and services. Then provide trainings and evaluate to ensure the business process knowledge.
